

Product Change Notice

VI Brick BCM Array

Date: March 8, 2013

PCN #: BE130308

To Our Valued Customers:

We appreciate your use of Vicor Brick Business Unit products. The purpose of this notice is to inform you that the VI Brick BCM Array product line is being discontinued.

PCN Type:

Notice of product discontinuance requiring migration to an alternative product.

Product(s) Affected:

Products with part numbers beginning with BC384R and BC352R.
See the following list of affected model numbers.

BC352R110T030VM-00
BC352R110T060VM-00
BC384R120T030VM-00
BC384R120T060VM-00
BC352R440T033VM-00
BC352R440T065VM-00
BC384R480T033VM-00
BC384R480T065VM-00

Description:

Due to low manufacturing volumes and component availability, the product family has become uneconomical to manufacture and support. Although there are no drop-in replacement parts for this unique packaging platform, there are functionally and electrically equivalent alternative products available. Customers may try to migrate to VI Chip or VI Brick BCMs with the same electrical specifications, but different package and connection style.
