

Product Change Notice

PCN #: VE20260413

Date: April 13, 2026

Dear Valued Customer:

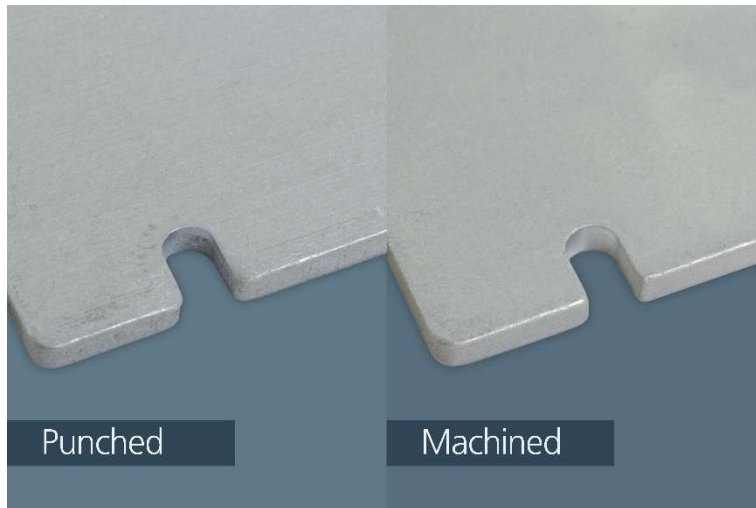

We appreciate your use of Vicor power modules. The purpose of this notice is to inform of a visual change in appearance to baseplates of our VI-200 & VI-J00 series of products.

PCN Type:

Informational only.

Proposed Change:

Baseplates will be processed using both stamped and machined methods. As a result, customers may notice slight variations in the visual appearance of the product's external baseplate depending on the manufacturing process used.

Customer Impact:

None. There is no change to the fit, form, or function of the device itself. This is strictly a visual change to the external appearance of the product.

Product(s) Affected:

VI-200 and VI-J00 series

Actions Required:

This change is planned to take effect as early as June 1, 2026. Customers should make note of this update. Please contact Product Management with any questions or concerns.
