Product Change Notice # VI20260120

Date: January 20, 2026

To Our Valued Customer:

We appreciate your use of Vicor products. The purpose of this letter is to make you aware of a Datasheet correction made to the NBM2317S60D1580TMR device.

PCN Type:

Datasheet Correction. No change or modification has been made to the noted products.

Product Affected:

NBM2317S60D1580TMR

Proposed Changes:

1. High Side and Low Side Input Overvoltage and Undervoltage Lockout Hysteresis has been removed from the revision 1.0 datasheet as the specification was redundant with electrical specification table.
2. The Low-Side Input Undervoltage specification value was corrected in datasheet revision 1.1.
(This relates to step-up operation only)

Rev 1.0
